Beloved.

CHAPTER 8

CHOICE

Absolutely not.
If you're planning for revenge, then go home.
Why?!
Are you pressured with that? Then why did you kill me?
That's not what matters!
God. Can you please not always think of others first?
Consider other people's feelings.
If you don't go home for a whole day the police will look for you! And for the people who are worried about you at home!
Also, I have work. I won't be able to take care of you...
?
It's fine if you don't want to tell me your address
First High, X Year, Class 6, correct?
?
Finding your hometown teacher after 10 years of school shouldn't be too hard.
...
You really aren't trying to hide that, huh?
Wowzy! You already have both my cell phone and Hotmail ID. you even asked the nurses as friends...
Where could I hide?!
I'll definitely call you.
I promise.
Okay...
Take me back to my school.
My backbag is still there...
Wait a minute!!
Good, you haven't left yet...
Can I hitch a ride?
...
Or okay...
Thanks!

Yesterday, I completely forgot that I left my notebook at school in the cold weather, so I had to take a makeup test in the morning.

Good thing that I saw you. It'd be impossible to find a taxi at this hour.

It's nothing. It's on the way anyway.

But I have to take Pingr... My nose leak to school first...

?

Let's find your notebook from tomorrow. Why did you bring it out?

Ah... I didn't want to put it back in my bag... I just can't remember...

Tsk

Hey, I found it with my locker the other day!

Now nowhere...

So many rooms have been left in just for that...

Back then, didn't Professor Lin still have her?

Now it's Director Li's, you dare say that aloud here?

What's to be afraid of? I'd still say it to her face.

What was that guy in your year famous?

The one that was transferred to Orphanage and then fell down the stairs he got admitted as a patient and never returned, even as a patient then?

Wu Di was in the Child Development room...

Right, also there was that girl that was in the ICU always for three years.

.....

We're here, let me out!

Don't worry about me. I'll get my stuff and go home by myself...

Are you sure you'll be all right?
Don't worry. It's not like I'm a kid.

Well, okay then...

I can't care here.

I have to go...

... ...

Goodbye! Doctor Lu!

Ah hahaha hahaha...
Kiss nowadays really don't show respect for...

Here.

Isn't this yours?

I found it during roomie yesterday

Ah... Sorry.

Yesterday... You probably noticed it there for a long time

No, it's not!
It's not what you think! She and I..

It's at a misunderstanding..!
Meow!

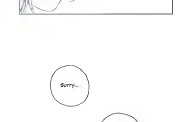
How have you been recently.....?

Pretty good...
Everything's been pretty good.....

That medicine, are you still taking it...?
No! No... I almost never see it anymore...
It definitely doesn't interfere with my work!

I don't care about that. I'm not trying to pry into your personal matters...
You're mistaken.

Hm.....
Just worried about you..



Sorry...
For bothering you yesterday about that matter.

Thank you.
Dr. Lu.....

Name

My name.
You don't even want to say it.....

Aren't you..

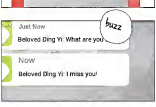
Ever going to forgive me over that?

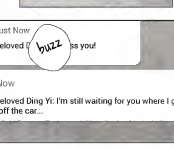
Can't we just remember those beautiful memories..?
Those happy memories..
Are more important than what is right and wrong.
Aren't they...?
There should only be happiness from memories..
Not sure...
Liar.
I'm sorry...
The me right now, still can't do this..
So are you just going to punish me..?
To punish??
You and that kid
What does that have to do with her?
Doing that disturbingly in my hospital room.
Don't be like this.
Then you tell me, how should I be?
If everything could be made into more...
Where should have gone on, then you would be satisfied?
Should I have chosen to give up everything, everything I had...?
Only then you'd forgive me!!!
Enough!
We're here...
At your place.
Si Chen.
You don't need someone's forgiveness
Because you didn't do anything wrong
©Lee 三三

It wasn't your fault.

You only.....

Made a choice...



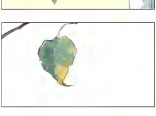


Now

eloved Ding Yi: I'm still waiting for you where I got off the car....

So I should also...

Make amiss



This time

I would like to choose a simple kind of happiness...

A choice

To be treated wholeheartedly

A choice.....

...to be loved.
